

## IN THE NATION'S CAPITAL

We took our message to Ottawa. And they listened! On December 11 we had a lengthy session with senior staff of Transport Canada, as well as meetings with the Chair of the House of Commons Standing Committee on Finance and the Minister of Agriculture and Agri-Food. On our website, under Recent News, you'll find more info on the meetings in the blog post **2018 in Review**.

You'll also find a link to our latest research report, **"THEN/NOW/NEXT: 21st-Century Reasons to Cancel Pickering Airport"** – a rigorous, no-punches-pulled look at the facts as they stand today. We used the document in our meetings and provided copies for everyone's holiday reading pleasure.

Many thanks to our MP, Jennifer O'Connell, who dedicated most of her day to participating in our meetings.
