Say “NO” to your political reps

Whether in a letter, an e-mail, a text, a tweet, or a phone call, make your opposition to a Pickering airport known to:

- your MP
- your MPP
- your regional chair
- your mayor
- your councillor(s)

Saying “NO” to your politicians is particularly important right now. Some on that list are claiming that at the last election they received a mandate to push for an airport. This is untrue and must be called out.

Write to the Minister of Transport!

This is vital. He needs to hear from the *people*, not the politicians. marcgarneau@parl.gc.ca

ANGRY? You can help stop this!
Tell your politicians: NO AIRPORT!
